

Reimagining how students learn.

ck-12

CK-12 Foundation is a non-profit organization dedicated to improving student learning by increasing access to FREE, high-quality educational materials through the FlexBook® platform and concept-based modalities.

Concept-Based Learning

CK-12's 5,000+ Concept Pages offer a variety of modalities—including text, videos, interactives, and adaptive practice.

FlexBook® Digital Textbooks

CK-12's free, standards-aligned, digital textbooks are customizable, allowing users to create 150,000+ localized variations.

Simulations

CK-12's 100+ Physics and Chemistry Simulations make concepts come alive as students manipulate variables and visualize situations.

PLIX Interactives

CK-12's 1,100+ math and science PLIX (Play, Learn, Interact, and eXplore) enable students to engage with concepts in a new and exciting way.

Adaptive Practice

CK-12's 150,000+ questions can be customized in quizzes or used within Adaptive Practice, allowing students to practice, learn, and fill in knowledge gaps on a phone, tablet, or computer.

Groups and Integration

CK-12 Groups and integrated LMS allow teachers to assign practice and other modalities, monitor student progress, differentiate instruction, share resources, and collaborate.

Certified Educator Program and Webinars

CK-12 is here to help educators jumpstart their classes with various resources, through a full summer program, monthly webinars, and archived recordings.

CK-12 Cafe Forums

CK-12 Cafe is a place for our community to share thoughts and advice—from help on homework to teaching strategies.

"Using CK-12's different modalities, a student is going to find something that brings learning to life for them."
