

# Reimagining how students learn.

ck-12

CK-12 Foundation is a non-profit organization dedicated to improving student learning by increasing access to FREE, high-quality educational materials through the FlexBook® 2.0 platform and concept-based modalities.

## FlexBooks® 2.0

CK-12's free, standards-aligned, digital textbooks are customizable, integrated, and interactive, allowing users to create 300,000+ localized FlexBooks®.

[ck12.org/sims](https://ck12.org/sims)

## Simulations

CK-12's 100+ Physics and Chemistry Simulations make concepts come alive as students manipulate variables and visualize situations.

[ck12.org/practice](https://ck12.org/practice)

## Adaptive Practice

CK-12's 150,000+ questions can be customized in quizzes or used within Adaptive Practice, allowing students to practice, learn, and fill in knowledge gaps on a phone, tablet, or computer.

[ck12.org/certified](https://ck12.org/certified)

## Certified Educator Program

CK-12 is here to help educators jumpstart their classes with various resources, including a full on-demand program, monthly webinars, and archived recordings.

[ck12.org/flexi](https://ck12.org/flexi)

## Flexi

Meet Flexi, CK-12's student tutor and teacher assistant, who can answer homework and curiosity questions, give insight on learning, and so much more!

[ck12.org/plix](https://ck12.org/plix)

## PLIX Interactives

CK-12's 1,100+ math and science PLIX (Play, Learn, Interact, and eXplore) enable students to engage with concepts in a new and exciting way.
